Printing Self Service Letters via Student Record Webpage e:Vision

The following process will allow you to print a self-service letter for either Council Tax or a Bank letter.

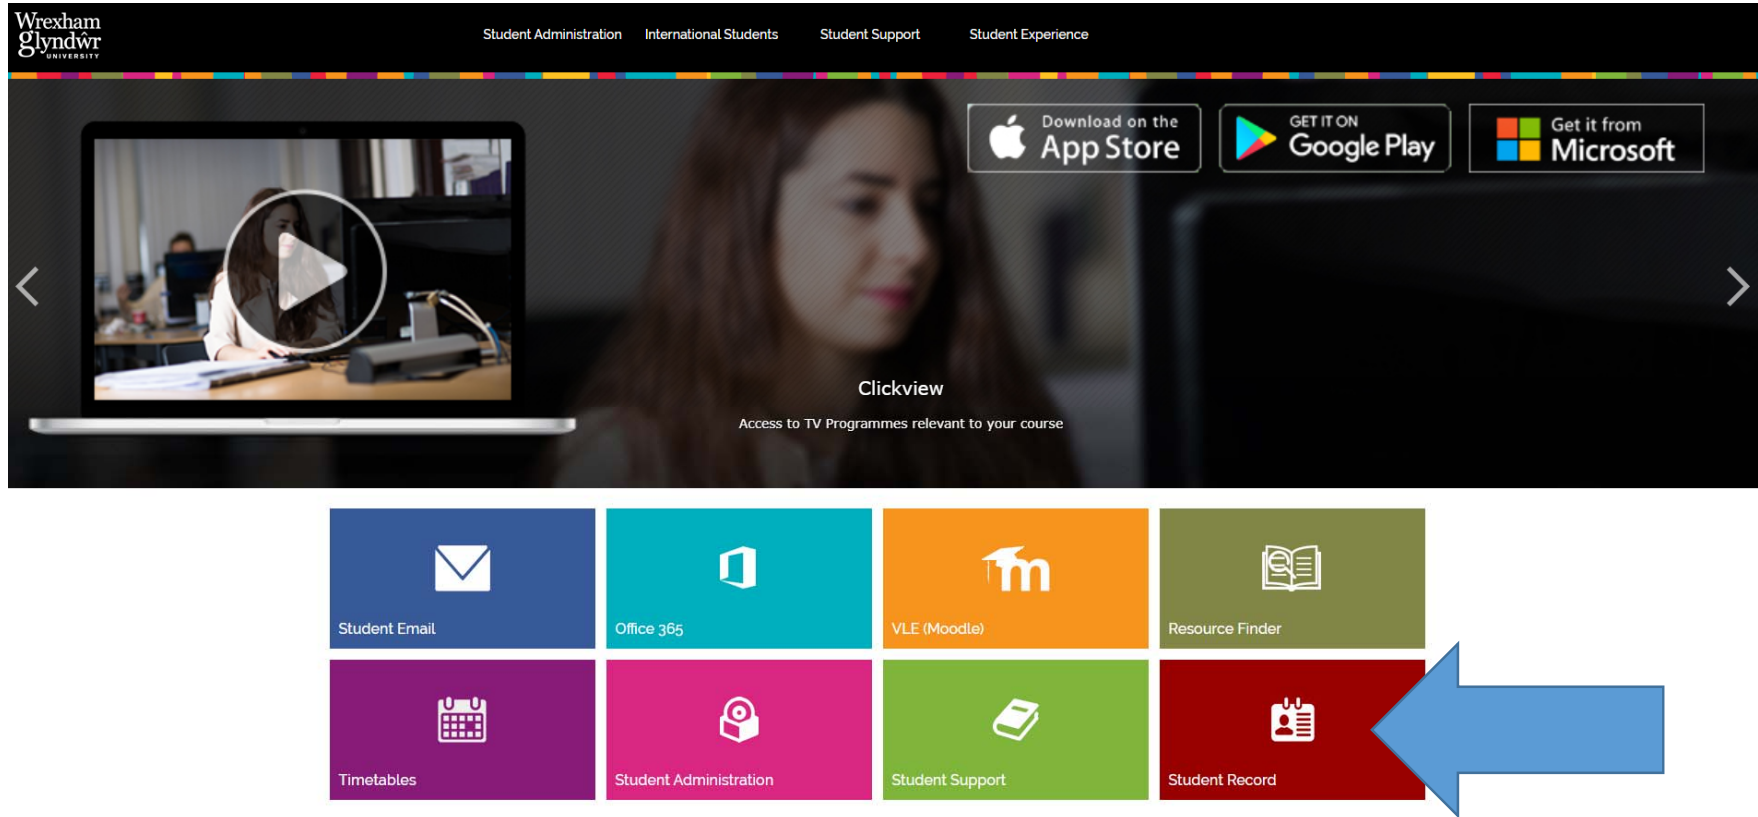

If you require proof of confirmation of studies, you can now print this yourself. Typically you'll need to provide proof of your studies for things like opening a student bank account, a student gym membership or to provide to your local council for council tax exemption.

If the organisation requires the letter to be stamped, then please print it yourself and bring it to the Student Information Desk in the Edward Llwyd Centre (Library). If you have any questions please get in touch with studentadministration@glyndwr.ac.uk

We recommend using the latest web browsers as these documents are optimised for the latest versions of Microsoft Edge, Firefox, Chrome, Opera and Safari.
